5TH ANNUAL HOW TO DO BUSINESS IN THE PACIFIC RIM

The California Asian Pacific Chamber of Commerce (CalAsian) invites you to join us as a Cornerstone Partner to create a major WIN for our region and for California!

At our 5th Annual How to Do Business in the Pacific Rim event, the CalAsian Chamber will be launching an Economic Development Administration priority initiative:

Building the Asian Pacific Islander (API) Institute for International Trade.

This API Institute for International Trade will focus on promoting trade and investment in the international market place, focusing on those markets with the highest growth potential, the Pacific Rim.

As a Cornerstone Partner of the API Institute for International Trade you will be recognized at this annual event, as well as receive ongoing visibility and recognition benefits.

Join us in growing the capital region's economy through enhanced trade and investment links with the Pacific Rim. Contact us today!
